Finally, after the release of CyberLink PowerDirector Ultimate 19.Sexual Harassment Sexual harassment is harassment in the workplace, on a street, in a public transportation, or in some other public place, like a school or a party. Harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. People who engage in sexual harassment may do so because of their status as supervisors, employers, coworkers or clients, or because they are strangers with power over the person receiving the offensive behavior. It can also occur between two persons of the same sex, but that’s less common than a situation between two persons of the opposite sex. What is sexual harassment? Sexual harassment is harassment in the workplace, on a street, in a public transportation, or in some other public place, like a school or a party. Harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. People who engage in sexual harassment may do so because of their status as supervisors, employers, coworkers or clients, or because they are strangers with power over the person receiving the offensive behavior. It can also occur between two persons of the same sex, but that’s less common than a situation between two persons of the opposite sex. What Is Sexual Harassment? The legal term for sexual harassment is sexual discrimination, meaning any action on the basis of someone’s gender or gender expression. Sexual discrimination may also include a hostile work environment, where sexual harassment is present, and sexist discrimination, which may have no particular sexual harassment element. Sexual harassment is
